PAST LIFE REGRESSION

- A deeply moving and profoundly spiritual experience
- Remain fully awake and conscious while retrieving lifetime memories
- Explore karma – the past life experiences that lead to your current life experiences
- Discover the lessons you may need to learn in this lifetime
- Meet members of your soul “family” with whom you travel from one lifetime to another
- Guidance by a highly experienced and specially-credentialed psychotherapist
- Reasonable fees

Past Life Regression utilizes deep meditation and light hypnosis to recover “soul memories” from one or more lifetimes. Through this experience, you may be able to discover that the source of deep-seated issues and patterns that you have experienced in this lifetime may have originated in events that took place in another place and time.

Sessions are conducted by Mr. Richard Scheinberg, one of the few psychotherapists on Long Island who has been trained directly by Brian Weiss, M.D., who is the most popular past life regression expert in the world. Mr. Scheinberg has 30 years experience and he founded Sunrise Counseling Center in East Islip, New York, in 1993. Mr. Scheinberg is also an acclaimed author. His second book, *Seeking Soulmates, Spirit Guides and Past Lives* is based on his extensive research in the field and his own experiences with Past Life Regression.

What *happens* during a Past Life Regression? Cablevision News 12 filmed a *live* Past Life Regression session at my office. Please see the original News 12 Feature Report video clip at www.SeekingSoul.com.

The fee for your personal Past Life Regression experience ranges from \$275-\$325 for one 2-2½ hour session. Though you will remember every minute of the session, a professional digital CD recording is included for *free*. A 45-minute introductory session (\$95) is suggested to see if a Past Life Regression experience is for you! Group Past Life Regression experiences are also available periodically at a lower fee schedule.

All appointments are offered on a first come, first served basis. Please call my office at (631) 666-1615 for more information about this unique and powerful experience.
